

# THE MAGIC BOX

**I shall put in my box  
The legend of my ancestors,  
A clear crystal from Connemara,  
All the different animals in the world  
'cause there all special,**

*I will put in the box*

*A mp so I can have adventure  
And will always know the way,  
An everlasting cake with ever flavour  
And an oreo milk shake.*

*My dream house so I can live in it one day,*

**I will put in the box  
The prettiest flower  
That has a beautiful aroma,  
pacht and nibbles so they will always  
in my heart,  
a radio so I can listen to my favourite song,**

**My box is fashioned from  
any way you can  
think of  
and will change with my mood,  
I shall treasure my box for ever,**
