

Inside me

By Luke

There is a cliff inside of me
that I can't stop falling off.

There is a frog inside of me
that tends to jump away.

There is a hare inside of me
that likes to run.

There is a caterpillar inside of me,
the day he becomes a butterfly.

There is a shark inside of me,
swimming in red blood.

There is an elephant inside of me,
waiting to get tall.

There is a rhino inside of me, waiting for a fight.
